

Report of Student Council activities

There are numerous curricular and co-curricular activities and events celebrated and conducted in the institute. There are sports, cultural, academic and social welfare activities organized by the students and the institute. The students and the institute work hand in hand to arrange such events annually.

Mrudang, the Garba event is organized during Navratri every year by the students. Mrudang was organized in the year of 2016, 2017 and 2018. In 2019, garba was celebrated as a part of the 32nd Indian Society of Dental Research Conference which was hosted by GDCHA. Students planned the schedule and discussed it with the cultural committee. They teamed up for printing of the invites, decoration and arrangement of the venue and catering services. The student members along with the authorities conducted these events with prior permission from the Medicity authorities and the police. The garba was organized in the college lawns which was decorated and decked up with lights and traditional folk songs and music. A gala dinner was also arranged during the garba function. Various competitions like best costume, best dancers and best group in boys and girls category were selected by the judges.

The students worked in co-ordination with the sports committee of the institute in organizing various sports events. The Occlusion 2016, Plexus 2017, Phoenix 2020, Odyssey 2021 had a week-long spread of various Indoor and Outdoor sports events like Cricket, Races, Tug of war, Chess, Carom, Badminton, Table tennis. These activities were conducted at various designated areas within the college campus.

Students worked in coordination with the cultural committee of the institute to organize the various cultural activities. The year 2016, 2017, 2020 and 2021 saw the celebration of Rangmanch which included the rangoli and mehendi competitions. Art fiesta, which enveloped the sketching and painting skills of the students and the staff was also arranged in these years. Other events included Music Euphoria, Dentist Got Talent, One minute games, Twin day, Character day, Culinary Fest-food fair, Tie & Saree day. A color to be worn during the various day celebrations was decided for each year of students as well as for the staff members. College faculty members judged the different competitions to select the best participants. Every year a photo session of all the students and staff was arranged in the college campus. The week's celebration culminated in a gala event which had students performing dance, skit, drama and

songs. A Fashion show showcasing different cultures and theme was a part of the gala evenings in 2016, 2017 and 2020.

Events related to academic and personality development were also organized by the students of GDCHA. Yoga day, the 21st of June, was celebrated every year by all the students and staff with great zeal in the college lawn during the non Covid times and online, during the Covid pandemic. Skill development, career counseling, debates on human moral value enrichment and wellness were also a part of the student activities.

The student committee was involved in the 32nd IACDE and the 25th IES National conference 2017 and the 32nd ISDR National Conference 2019 by being a part of the scientific, registration, logistics and cultural committees during these events.

Student committee helped in the functioning of the Alumni association of the institute and coordinated various activities conducted by the association for the career and competitive exam guidance like the seminar -All about NEET

Students also carried out social welfare activities like Blood donation camps, dental camps and school dental health education. The Student council actively participated and co-ordinated in celebration of world health day, Oral hygiene day, Endodontist day, Children's day, Prosthodontist day. Students participated in various poster and essay writing competitions during these events.

Student club under name of Creative Mind Club, functioning under the aegis of the Student council, has created a Wall Magazine to display the extramural talents of the students. Students also run Book Club Buddies wherein the students with a passion of reading gather and discuss about the books they have read.

The council is working towards the next schedule of events for the year 2022 in coordination with the institutional authorities.
