Sub: Dental Check up and Awareness camp for slum children at Santosh nagar, Behrampura, Ahmedabad.

Dear Sir,

Ek-Prayas manavati ki aur is a non-profit organization that is devoted to helping the less unfortunate build a foundation for themselves to thrive in all aspects of life. Ek Prayas has a healthcare program that has helped hundreds of people across Ahmedabad. Part of our healthcare program involves health camps, in which patients from slum areas may see a physician. We also provide financial help to some of the needy patients.

Using the facilities at the Civil Hospital, we would like to create a Dental Camp. We would like the dental camp to be located at Santosh Nagar, Behrampura, Ahmedabad. We expect approximately 80-100 slum children to attend the dental camp.

We would like to hold this camp on 24th March 2024, Sunday between 9.00 a.m. to 12p.m. During this dental camp, we would like our children to gain knowledge on proper dental/ oral hygiene and receive a check-up. This camp would certainly benefit the children of Santosh nagar community.

Thank you for your cooperation.
