One Day Denture Camp

GDCH regularly conducted “One day denture camps” in 23-24 for needy patients where patients are delivered upper/lower complete dentures in a single day free of cost. Along with dentures, patients were also provided denture maintenance kits. During each camp, 10 complete dentures were delivered to the selected patients. This distinctive practice of GDCH of change in routine treatment plan is highly appreciated.

Jail Duty

Faculties and interns were posted every Wednesday at Sabarmati Central Jail in Ahmedabad to render basic dental treatment to the Prisoners. Approximately 1500 prisoners were treated in 23-24. Comprehensive dental treatments like extraction, restoration, scaling and even removable prostheses are provided with free of cost to the prisoners.

Community Outreach Program (Camp duty)

In 2022-23 also, GDCH arranged dental camp every month where faculties and interns render their services. Our mobile dental van with attached dental chair and compressor is used during camp visits in rural areas where basic dental facility is not available.

The facts thus provided are the pride for us to impart best quality dental treatment to the community. These distinctive programs of GDCH help us to make GDCH Ahmedabad one of the best amongst the government sectors.
