GOVT. DENTAL COLLEGE AND HOSPITAL AHMEDABAD

1ST YEAR BDS ORIENTATION PROGRAM

DATE : 03/10/2023

VENUE : LECTURE HALL 2

Report

- The orientation program was conducted on 3rd October 2023 with the objective to orient the incoming undergraduates to the institute, appraise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.
- Orientation began with registration and presentation by Dr Shikha Kanodia showcasing the entire college & hospital, providing the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure, examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility and Mentorship program.
- The students then addressed by Dr Girish Parmar, Additional director (Dental) & Dean GDCHA. He congratulated students for seeking admission in one of the most reputed NABH, NAACA+ accredited college. He instructed students to be disciplined and abide by the rules and regulations of institute. He emphasised on zero tolerance for ragging. He also sensitised students about SSIP (student start up innovation program) and motivated the students to focus on study and research work.

- The first year faculties, hostel wardens and administrative staff were introduced.
- Students were thereafter welcomed with the flowers by Heads of the department and teaching faculties. Each student was given book of code of conduct and an anti-ragging affidavit to be duly signed.
- This was followed by white coat ceremony in which the students were made to take a 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession.
- The students were then taken for the College visit. Along with faculty coordinators they visited academic and clinical section of GDCHA. They were also explained about facilities. Following which they were taken for hostel visit.
- In afternoon session mentors were assigned to the students in the batch of ten under each mentor. Following which students were guided to finish their administrative formalities. Finally allotment of the rooms was done for the students who required.

The orientation program for the second-year dental students was held on November 23, 2023, at the lecture hall no 1 of government dental collage and hospital Ahmedabad. The session was organized to welcome the students into their second year of dental education, provide them with essential information about the curriculum, introduce them to their mentors, and offer guidance for their upcoming academic journey. The event was attended by faculty members, administrative staff, and the second-year dental students.

The orientation began with a warm welcome and an introductory speech by Dr. Nupur Dhanak, assistant profess, department of conservative dentistry and endodontics.

- Dr. Nupur Dhanak welcomed the students and congratulated them on successfully completing their first year.

- She emphasized the importance of the second year as a crucial phase in their dental education.

- Detailed explanation of the courses and subjects that the students would be undertaking.

- Highlights of key areas of study such as dental anatomy, pathology, pharmacology, and preclinical skills.

- Dr. Nupur Dhanak outlined the expectations from the students in terms of academic performance, attendance, and professional behavior.

- Information about the various resources available to students, including the library, online databases, and study groups.

- Encouragement to seek help from faculty members whenever needed.

Following Dr. Nupur Dhanak's presentation, the mentor allotment session was conducted. Each student was assigned a mentor who would guide them through their academic and professional journey in the second year.

Dr. Seema Odedra, HOD and professor of oral pathology department, commenced the orientation with a warm welcome and an introductory speech. She provided an overview of the third-year curriculum, highlighting the importance of clinical skills and patient management. Dr. Seema Odedra emphasized the transition from pre-clinical to clinical training, outlining the expectations and responsibilities of the students. She also introduced the faculty members and provided a brief overview of the resources available to the students.

Dr. Hare Krishna, delivered a comprehensive lecture on infection control and biomedical waste management. She discussed the principles and practices necessary to prevent the transmission of infections in the dental clinic. The lecture included:

- Standard precautions such as hand hygiene use of personal protective equipment (PPE) and sterilization techniques.
- The categorization and disposal of biomedical waste.
- Legal and ethical considerations in waste management.
- The importance of maintaining a clean and safe environment for both patients and dental professionals

Dr. Sajan Pandya, introduced the community services program, emphasizing the role of dental students in serving the community. He outlined the various outreach programs and initiatives that students could participate in, such as dental camps, school dental health programs, and public health awareness campaigns.

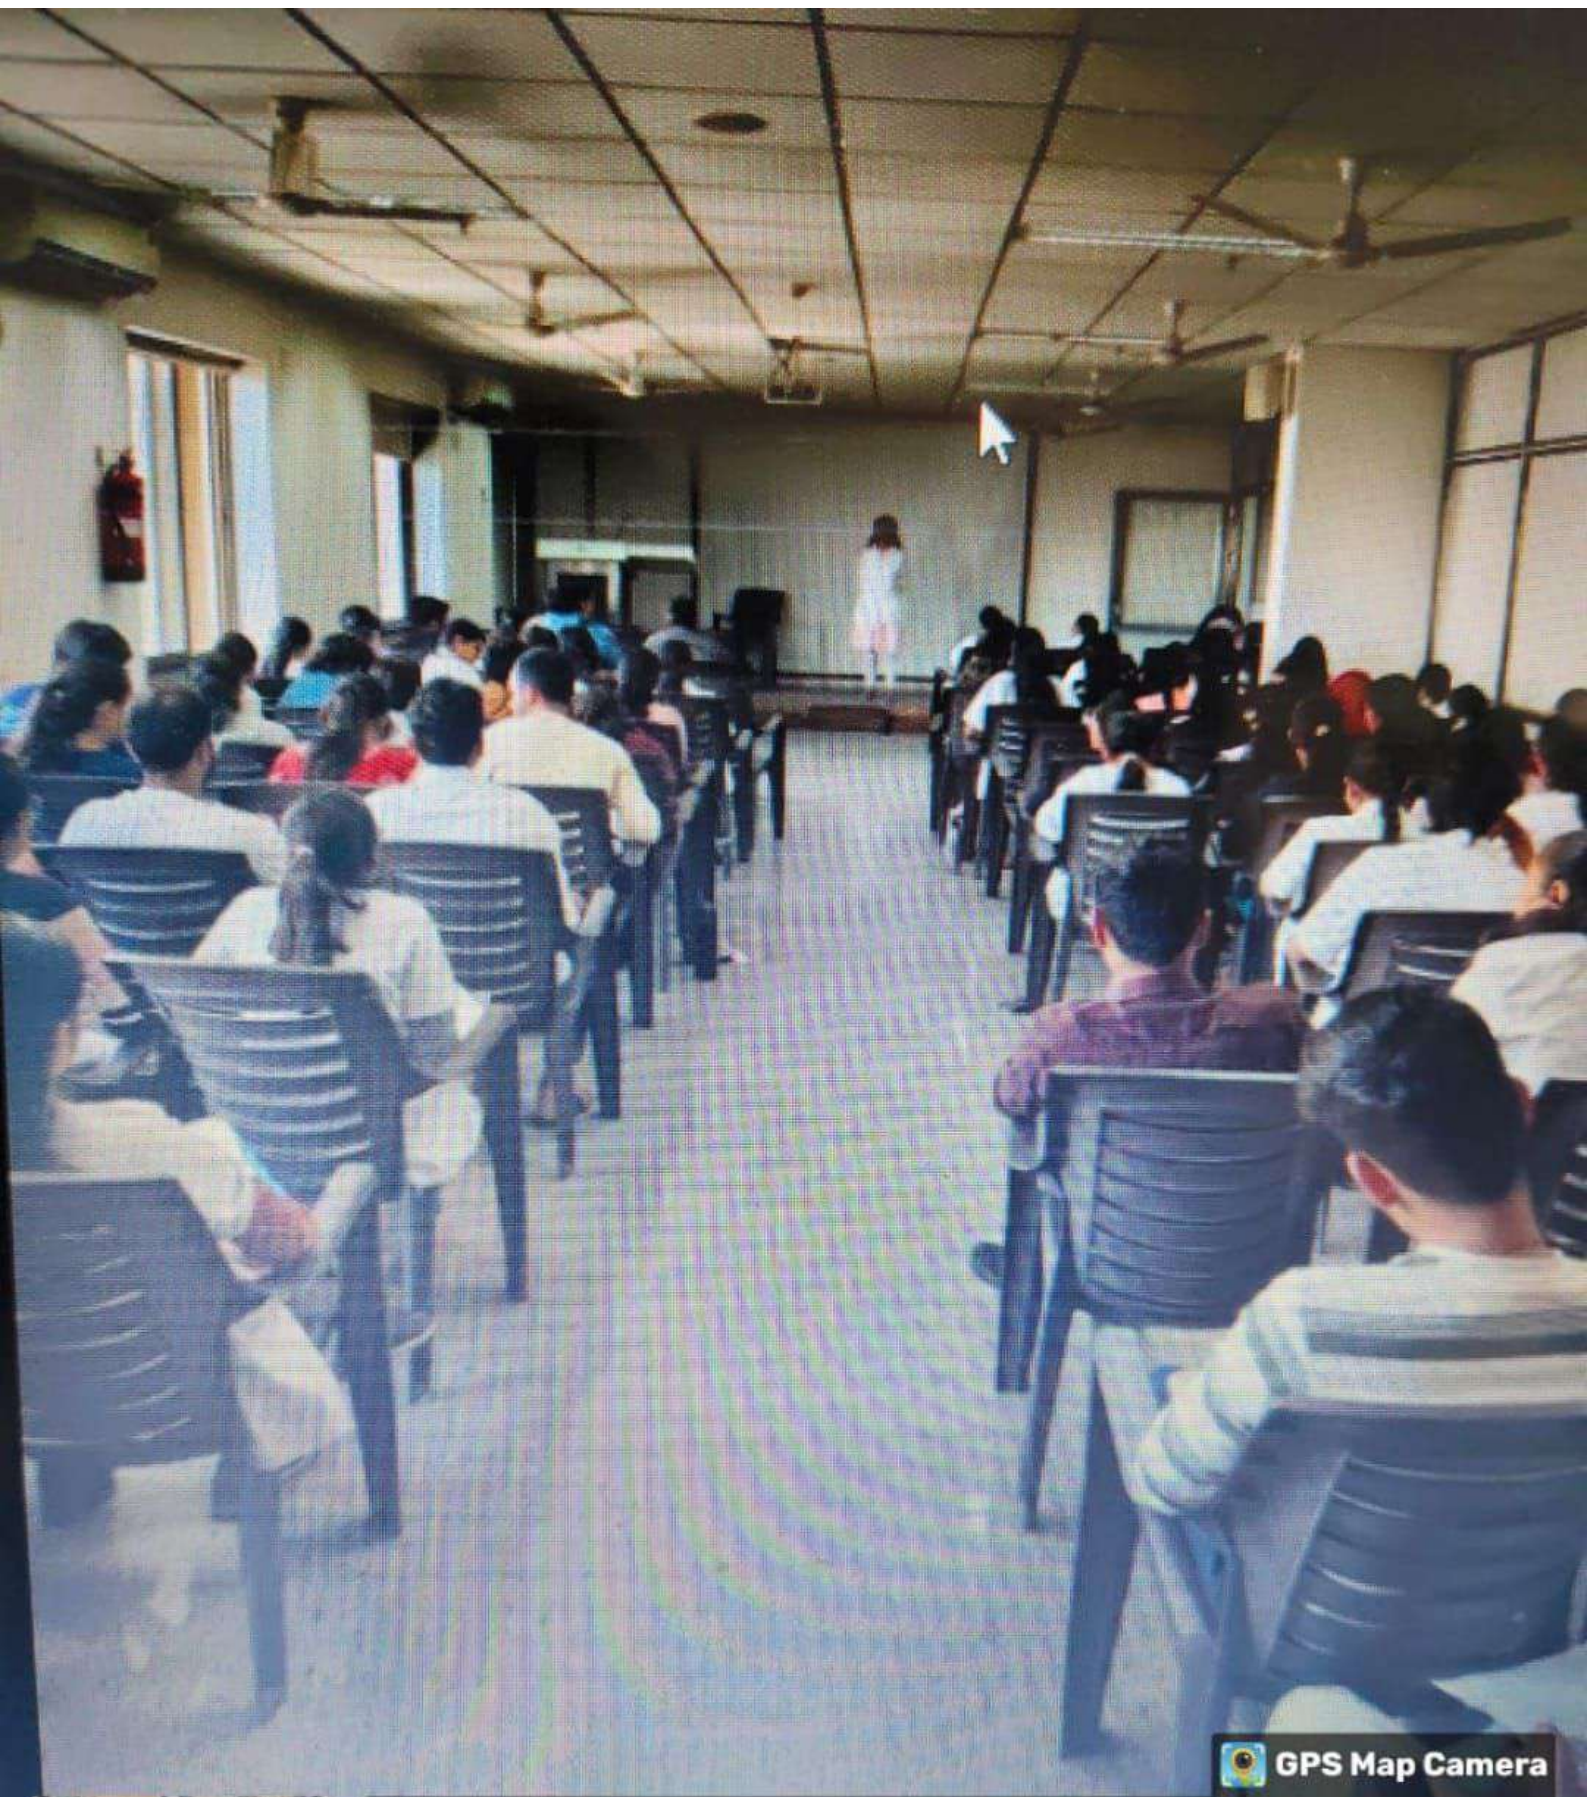

Dr. Nupur Dhanak's session focused on the importance of ergonomics in dental practice. She discussed common ergonomic issues faced by dental professionals and provided tips on how to maintain proper posture and reduce the risk of musculoskeletal disorders. The key points covered included:

Dr. Kriti Dulani introduced the herbal garden at GDCHA, highlighting its significance and the variety of medicinal plants it houses.

The orientation program concluded with the mentor allotment session conducted by Dr. Sakshi Trivedi. She explained the mentor-mentee system, designed to provide students with guidance and support throughout their academic journey. Each student was assigned a mentor who would help them navigate academic challenges, provide career advice, and offer personal support.

The orientation program for the intern dental students was held on 23RD NOVEMBER 2023 The event aimed to acclimatize the new interns with the operational protocols, academic expectations, and the overall environment they would be working in for the duration of their internship.

Dr. Shikha Kanodia, professor in the department of conservative dentistry and endodontic, delivered the introductory lecture, setting the tone for the program. In her address, Dr. Shikha Kanodia emphasized the importance of dedication, continuous learning, and ethical practice in dentistry. She shared her experiences and provided valuable insights into the practical aspects of dental care, highlighting the significance of patient-centered service. Her motivational speech inspired the interns, encouraging them to make the most of the opportunities ahead.

One of the key highlights of the orientation was the introduction of a new attendance and leave policy. This policy was designed to ensure punctuality, accountability, and a balanced work-life experience for the interns. The details of the policy were explained comprehensively, covering aspects such as the procedure for logging attendance, the process for applying for leaves, and the repercussions of non-compliance. The policy aims to foster a professional environment where interns can learn and grow while maintaining discipline and responsibility.

Another crucial component of the orientation was the mentor allotment. Each intern was assigned a mentor, an experienced dental professional, who would guide them throughout their internship. The mentors are expected to provide academic support, career advice, and personal development guidance.
