Follow up/Actions taken

Date: 15/12/2022

Time: 10 a.m. – 11.a.m.

Purpose: PTM of Third and final year BDS students.

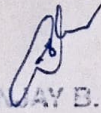

Topics Discussed:

- Declaration of the result after the first internal exam.
- Conforming students regarding the clarity in all subjects and topics covered and solving of any problems they have in any subject, supporting system, study material or management.
- Discussion of the suggestions, complaints, feedback and opinions from the student and their parents.
- **Concerns of the parents:**
 - 4th Year: Students are not able to co-relate the pre-clinical exercises with clinical importance
 - 3rd Year: Surgery and medicine wards related confusions with applications in dentistry and co-ordination and intimacy with medical college staff members.
 - Final Year: College should provide patients for practical exams.

Action items:

Solutions/Plans:

- 3rd Year: Medical faculty of dental college will accompany the students in initial visits to surgical and medical wards and introduce the medical faculties with students.
- Final Year: Majority of the patients will be provided by the college during exam and for the remaining patients, concern departments will guide and help the students to find out.
