One Day Denture Camp

GDCH regularly conducted “One day denture camps” in 22-23 for needy patients where patients are delivered upper/lower complete dentures in a single day free of cost. The patients were also provided denture maintenance kits. During each camp, 10 selected patients are treated. This distinctive practice of GDCH is highly appreciated.

Jail Duty

Faculties and interns are posted every Wednesday at Sabarmati Central Jail in Ahmedabad to render basic dental treatment to the Prisoners. 1052 prisoners were treated from Aug 22 to July 23. Comprehensive dental treatments like extraction, restoration, scaling and even removable prostheses are provided with free of cost to the prisoners. Interns are also posted regularly at Rukshmaniben Hospital which is one of our satellite centers.

Community Outreach Programs

In 2022-23 also, GDCH arranged dental camp every month where faculties and interns render their services.

The facts thus provided are the pride for us to impart best quality dental treatment to the community. These distinctive programs of GDCH help us to make GDCHA, one of the best amongst the government sectors.
