Subject: 'Dental Wellness Initiative among School children' at adopted Ganesh primary school, Ahmedabad on 17th September, 2024.

Respected Ma'am,

This is to inform you that the Department of Public Health Dentistry conducted a 'Dental Wellness Initiative among School children' at adopted Ganesh primary school, Ahmedabad on 17th September, 2024. School children were explained about common oral health diseases and their etiology. In addition to this, preventive dental treatment including pit and fissure sealant and topical fluoride were also explained and consent forms have been provided for the same. Appropriate brushing technique was explained by using educational model. Total school children were screened for their oral health condition and appropriate treatment was advised and they were referred to GDCH, Ahmedabad. The event was attended by staff, post-graduate students and interns posted in the Department of Public Health Dentistry at Government Dental College, Ahmedabad.

It was a beneficial event.

Thank you for your cooperation.
