Subject: Request to conduct a Dental Screening camp and Oral Health Awareness Program for Students in Saurabh English School

Respected sir,

We would like to request you to organize a dental screening camp at Saurabh English School on 1<sup>st</sup> May, 2024. Additionally, also provide us with oral health awareness session. We will arrange a place required to conduct the camp. We request you to do the needful.

Thanking you.

Sub: **“Oral Health Screening and Awareness Programme”** on 1<sup>st</sup> May 2024 at Saurabh English School

Respected Sir,

As a part of routine Oral Health Screening programme at adopted Saurabh English School, Dept. of Public Health Dentistry has conducted an **“Oral Health Screening and Awareness Programme”** on 1<sup>st</sup> May 2024. 29 numbers of school children and their parents were screened for oral diseases and necessary dental treatments were conveyed to the respected authority. They were also provided with the consent form to be filled by parents for Pit and fissure sealant and fluoride application. Health education about oral diseases, their causing factors and prevention were taught to school children and their parents via “chalk and talk” method and with the help of Oral Health Educational Booklet. Appropriate Tooth brushing methods were demonstrated via dental typho models. This event was attended by Staffs, PGs and Interns posted in the Dept. of Public Health Dentistry, GDCH Ahmedabad. We look forward to our next visit for the application of Pit and fissure sealant and fluoride to the students indicated for the same.

Thanking you.

Yours Sincerely

Incharge Principal

SUB- Report of an "Oral Health Screening at Adopted School" on 1<sup>st</sup> May, 2024

Respected Ma'am,

As a part of regular screening activity for **Adopted School** an "Oral Health screening program" was conducted at Saurabh English school, Nava Vadaj on 1<sup>st</sup> May 2024 by Dept. of Public Health Dentistry, GDCH, Ahmedabad. Around 29 school students were screened for oral diseases and appropriate dental treatments were advised to parents via school authority. Oral health education was given to all school students explaining about oral disease and their preventive methods by using chalk and talk method. It was elaborated to all students using various charts and pamphlets. School students were reinforced about an appropriate method of brushing. Informative materials were distributed among students for oral health awareness. The program was attended by staff, postgraduate and interns posted in the department. It was a beneficial event.

Thanking you.

Yours Sincerely,

Dr Janki Shah  
I/C HOD

Dept. of Public Health Dentistry,  
GDCH,  
Ahmedabad.
