Respected Mam,

The Department of Public Health Dentistry conducted the 'Senior Dental Care Programme' at Vatsalya Vrudhdhashram on 11 Dec. The programme aimed to address the oral health needs of the elderly. During the event, 28 elderly residents were screened for oral disease, and suitable dental treatments were recommended. Participants were educated on oral health maintenance, with practical demonstrations of brushing techniques using cast models. Those requiring advanced care were referred to Govt. Dental College and Hospital, Ahmedabad. The event was actively supported by postgraduates and interns from the Department of Public Health Dentistry.

Thanking You.
