Subject: *Ackn. of* 'Dental treatment Programme' at Manav Gulzar Community Centre,  
Behrampura, Ahmedabad on 11th February 2025.

Respected Ma'am,

The Department of Public Health Dentistry successfully organized the 'Dental treatment Programme' at Manav Gulzar Community Centre, Behrampura, Ahmedabad on 11th February 2025. During the camp, 45 individuals were screened for oral health concerns and suitable treatment plans were suggested. Treatment such as scaling and restoration was done in 11 and 5 participants respectively. Demonstration of tooth brushing technique was done using various educational models. Tobacco cessation counselling was also provided. For participants requiring advanced dental care, referrals were made to the Government Dental College and Hospital, Ahmedabad. The event was carried out successfully with the active participation of staff, postgraduate students, and interns from the Department of Public Health Dentistry.

Thanking you,

Yours sincerely,

SUB: Report of '**Dental treatment Programme**' at Manav Gulzar Community Centre,  
Behrampura, Ahmedabad on 11th February 2025.

Respected Ma'am,

The Department of Public Health Dentistry conducted a Dental Treatment Program at Manav Gulzar Community Centre, Behrampura, Ahmedabad, on 11th February 2025. A total of 45 individuals underwent oral health screenings, with personalized treatment recommendations provided. Additionally, educational sessions were held to highlight the significance of oral hygiene, featuring hands-on demonstrations of brushing techniques using cast models for better comprehension. As part of the on-site treatment, scaling was performed for 11 participants, while 6 individuals received restorative procedures. Tobacco cessation counseling was also offered to those in need of support. Patients requiring specialized or advanced dental care were referred to the Government Dental College and Hospital, Ahmedabad for further treatment. The program was successfully executed with the involvement of faculty members, postgraduate students, and interns from the Department of Public Health Dentistry.

It was a beneficial Programme.

Thanking you.
