### **REPORT OF THE EVENT**

The Indian Academy of Oral Medicine and Radiology (IAOMR) was found on 24<sup>th</sup> April 1985. This day was celebrated as National IAOMR day by Oral Medicine and Radiology Department at Government Dental College & Hospital, Ahmedabad. A special presentation was prepared by the post-graduate students focussing on the importance of Oral Medicine & Radiology as a branch of dentistry and its future prospects for dental profession. The program was mentored by Dr. Shilpa Parikh, managed by Dr. Purv Patel and graced by the presence of respected dean Dr. Girish Parmar sir and senior faculty members of the institute. The presentation was attended by undergraduate students and interns. The program was concluded by cake cutting ceremony.
