Subject: **Oral Health Education and Screening Programme** at Manav Seva Kendra, Shahpur, on 9th September, 2024

Respected Ma'am,

This is to inform you that the Department of Public Health Dentistry conducted an **Oral Health Education and Screening Programme** at Manav Seva Kendra, Shahpur, on 9th September, 2024. 83 numbers of individuals were screened for oral diseases. Keeping protocol in mind, necessary dental treatments were advised. Oral health education was given and proper brushing technique was taught using various oral health educational aids. Those individuals consuming tobacco were made aware of its harmful effects, and referred to the Tobacco Cessation Centre, in GDCH Ahmedabad, in case of difficulty in quitting the habit. This event was attended by post-graduate and Interns posted in the department of Public Health Dentistry, Government Dental College, Ahmedabad.

Thanking you,

Yours sincerely,

Project Coordinator, Manav Sadhna

Subject: Report of "Oral Health Education and Screening Programme" at Manav Seva
Kendra, Shahpur, on 9th September, 2024

Respected Ma'am,

This is to inform you that the Department of Public Health Dentistry conducted a "Oral Health Education and Screening Programme" at Manav Seva Kendra, Shahpur, on 9th September, 2024. 83 numbers of people were screened for oral diseases. Keeping all necessary protocol, and special healthcare needs of the children living in the slum areas in mind, necessary treatment was advised, and referred to GDCH Ahmedabad for needful. Oral health education was given using various educational aids, such as toothbrush and cast models, highlighting the need for proper oral healthcare and susceptibility to oral diseases at younger age. Older individuals suffering tobacco addiction were explained the various harms of tobacco and were advised to quit their habit, and were encouraged to visit the Tobacco Cessation Centre at GDCH, Ahmedabad for further assistance to quit the habit. This event was attended by post-graduate and Interns posted in the department of Public Health Dentistry, Government Dental College, Ahmedabad. Thanking you,

Yours sincerely,

Dr. Janki Shah,
