Ref – Seeking time from Dr Parth Pandya on 14th July 2023 for a session with young students

Respected Sir,
Namaste

On the eve of Indian Independence Day, Pratham Ahmedabad Education Initiative, is conducting an Pratham Access Programme event at Centre for Education Environment and we have requested for a session on Adolescent Wellness with a focus on oral hygiene, addiction awareness and resistance, and mental health. I, Renu Seth, write to you requesting for time from Dr Parth Pandya.

The Immersion Programme will have children from all socioeconomic backgrounds, so we are looking for a clinician who is passionate and knowledgeable about how to maintain and cultivate optimum mental health for both physical and emotional well-being. Since Dr.Parth R. Pandya, an internationally recognised clinical hypnotherapist, a paediatric dental surgeon, and a faculty member of public health dentistry at Government Dental College & Hospital Ahmedabad, possesses the qualifications and skills required for our workshop, we respectfully ask for his time on August 14, 2023, so that he can help us modulate and shape the future of some of India's most capable and worthy children.

We appreciate your time and attention, and we look forward to the interactions that Dr Pandya will have with the youth /young students.

Many thanks to you Sir.

Renu Seth,
Trustee
Pratham Ahmedabad Education Initiative

To Whomever it may Concern

Dr Parth R Pandya addressed a group of almost 100 participants (including young students, Pratham Alumni, Pratham Team, Teachers and Administrators) as a **Guest Speaker at the Access English Immersion Camp as part of the English Access Micro scholarship Programme on 14th August 2023**

Dr Pandya addressed the group on **Mental Health Farming for Children and Adolescents** The Adolescent Access Wellness Program was immensely successful, as Dr Pandya covered varied topics ranging from oral hygiene, awareness of various kinds of addictions and how to mentally resist them all. The 86 students and Teachers and School Administrators and Pratham Team and Alumni enjoyed the session as he made sure it was at their level and context and could relate to the matters through the fun exercises resulting in an increased awareness for all.

Date – 17th August 2023

Place - Centre of Environment Education, Ahmedabad
